

COURSE DESCRIPTION & SYLLABUS

Career Choices | FOOTHILL HS

TOPICS of the Career Choices course will include a fun “get-to-know-you” assignment students can successfully complete, while getting to know our online systems, including submitting assignments. As we get rolling, we’ll start incorporating the items listed below.

While these will comprise the majority of the course, a smaller portion of the course will be dedicated towards Digital Imaging (Photography), which I teach in the Career Technical Education dept at Foothill High School. This will give the students a taste of some elective choices in their futures at FHS.

Students will learn important study habits, compile a working resume (and keep it updated throughout high school), and practice vital interview skills.

Google Classroom & the Google Docs Suite (Drive, Docs, Sheets, Calendar, et al) will be taught to students in Career Choices. These programs will be the cornerstone of student assignments, especially as students complete more and more work online.

Plus, the following programs are just a sampling of possible items on the syllabus for Career Choices: Wakelet, Kami, ReadTheory, Quizzez, Kahoot!, Longman Dictionary, Pear Deck, Edpuzzle, Flipgrid, Illuminate, Aries, Albert.io, & more.

Assisting the students with technology to help ensure success and positive outcomes is one of the primary goals of this course. Oh yeah ... Can you type? With two hands? In Career Choices, you’ll learn how! Welcome!

GRADING SCALE

I use a 4-point scale, just like a grade point average (GPA). When I grade student work, grades will be 4, 3, 2, 1, or 0 (zero), which are A, B, C, D, F.

So, 75% is a B, 50% is a C, and a 0 (zero) doesn’t destroy a student’s grade. ... See below.

GRADE	LOW	%	HIGH
A+	104.17		112.50
A	95.83	100	104.16
A-	87.50		95.82
B+	79.16		87.49
B	70.83	75	79.15
B-	62.49		70.82
C+	54.16		62.49
C	45.82	50	54.15
C-	37.49		45.81
D+	29.15		37.48
D	20.82	25	29.14
D-	12.48		20.81
F		0
